SHOT is a TYPEfetish typeface designed by MICHAEL WALLNER in 1999. This is a shareware typeface for non-profit organizations, person or student work ONLY. Do not use this typeface for any kind of consumerist venture whatsoever. If you want to use this typeface for commercial use, then it is a commercial typeface and you must pay the commercial fees. Why should you get paid and we get the shaft? Contact theTYPEfetish for commercial fee information by visiting us at www.typefetish.com.

If you really like this typeface feel free to send us any of the following for shareware payment: money, homemade cookies, clothes, printed samples of our type in action, CD's, a date, gnomes, knick-knacks, Tootsie Pops™, Smarties™, artwork, books, type that you have created, or make a donation to a worthy cause in our name.

Please do not feel limited to the listed items above, be creative.

Thanks,
Michael Wallner, CEO the TYPEfetish
